Solutions

Operating Lease

24 to 60 months rental agreement, with is no ownership of the asset at the end of the period and you only pay for the use of the asset.

Operating Lease with ownership (Rent To Own)

The structure is the same as an operating lease but with the option to exercise ownership of the equipment at the end of the period at a pre-negotiated premium.

Instalment Sale

This is where ownership is automatically transferred to you once the final instalment has been made. Treated as on balance sheet funding and depreciation can be written off. Interest is charged on the full capital amount including VAT.
